

Training Program & Workshop on e-Prisons

Conducted by : National Informatics Centre, Shillong, Meghalaya ePrisons Team

Venue: District Jail, Training Center, Shillong-Meghalaya

Date : 11th December 2019 Time: 11:00 am- 5.00 pm

Session started with a welcome speech by Shri. R.K.M Sangma, AIG Prisons welcoming all the participants to the training programme. He also promised full support to the participants of all District Jails in terms of logistics and encouraged the officials to learn something from the Sessions to be carried out during the Training and Workshop as conducted by the NIC Team ePrisons Project.

Shri. Sekhar Dey, Senior Technical & Addl. SIO, National Informatics Centre, Shillong, Meghalaya gave an introduction of the e-Prisons software. He also briefed the participants on the project and the data integration processes, networking and the Online Version of the ePrisons project. He welcomed the participants to the session informing them that NIC is ready to assist the sites with their issues pertaining to the ePrisons project. Internet Connectivity provisions for all sites is a must and further enquired on the functioning of the Internet at large at all sites. He welcomed the participants to the session and also encouraged them to provide feedbacks for bettering the system at sites.

Further on, Smti. Kenyir Olga J.N. Nongrum, Scientist C, SSA, National Informatics Centre, Shillong, Meghalaya gave a detailed briefing to the participants on the ePrisons Software, the various modules of the software and the future purview of the software. Certain modules to be taken up in the future have also been detailed in the process. Query session was held and issues resolved too.

A Video Conference (VC Id : 275839) with Shri. Shashikant Sharma, HOD e-Prisons Project was held with the participants of the Training and Workshop who briefed the participants about the ICJS and the integration of the ePrisons, CCTNS, eCourts under this ICJS Project. He detailed the participants on the ongoing processes of the ePrisons project. Sample data was tested over the ICJS system, a query session was also held in which participants posed their issues faced at sites and issues were resolved simultaneously. Shri. Shashikant Sharma also expressed his interest in holding an ICJS Workshop (one day) and ePrisons Workshop (one day) separately for the North Eastern Region at Shillong in collaboration with NIC Delhi Team and NIC Shillong Team, including the Home(Jails) dept. and other concerned depts. under the ICJS project.

Smti. Kenyir Olga J.N. Nongrum further on briefed the participants on the Meghalaya Prisons website, discussed the need to send accurate and authorised data for uploads on the website. Use of the official email ids is a must for all official purposes was stressed. A run through of how to communicate effectively was also demonstrated in the process. WIM (web information manager) present as participant from the Head Office Home(jails) dept, was also briefed on the processes of web updations and the district jail sites officials were informed of the need to communicate reports and updates for the website via the WIM for uploads on the website. Effective Communication being the key for all successful updates/uploads. The Workshop ended with circulation of the User Manuals for the ePrisons Project via emails to all District Jails Superintendents email accounts. Email Id's and phone nos. were also circulated to all concerned. It was also shown in the process on how the data from ePrisons project Meghalaya is reflected on the Website of the Home(Jails).

To conclude the training, Shri. D. Warkhyllew, Superintendent, District Jail gave the vote of thanks with best wishes for the Coming New Year. He thanked all the Superintendents of district jails for their full support to the project related training session which was held today. He also wished the participants for the Coming New Year. Most of the sites are far flung, so he also wished them a safe journey back to their stations at various district jails. Shri.D.Warkhyllew also thanked the IG, AIG, Home (Jails) dept. along with the ePrisons Team NIC Meghalaya for conducting the Training and Workshop so held.

The Training and Workshop ended at 5 pm.

Glimpses of the Training and Workshop held on the 11th December 2019: ePrisons project
